

Preparatory Course for: BSc (Hons) Business & Management

Programme Overview

This degree programme prepares you for the demanding world of business. You will acquire the ability to think independently about business decisions, and to assimilate new ideas throughout your career.

This degree is designed for you if you:

- Are already working within a business and wish to progress to management level
- Have not yet decided which profession to pursue and are interested in the business sector, the management profession or in starting your own business

Career Prospect

Business, Banking, Accountancy, Marketing, Management Consulting, General Management and others.
