# Comments from Our Students

## Seah Song Wei, Aaron

I would like to extend my heartfelt gratitude and appreciation to Mr Nageb, for his willingness to share his insight and wisdom through carefully planned lectures and additional notes which was very useful for all students, ensuring that his students are well prepared and in tip top conditions before heading for the examinations. Thank you once again Mr Nageb for your dedication and commitment.

## Yan Senmei, Joanna

Being able to achieve the Outstanding Achievers Award, I would like to express my gratitude to my T1 and T2 lecturers for their guidance and assistance. Mr Wilson Aw was always more than happy to answer my questions after class, even though some of my questions are beyond the T1 syllabus. Ms Yeo Ai Ling's lectures and notes are very clear and easy to understand. After attending their classes, I have built a strong foundation in Accountancy.

## Zheng Hongfan

It's not only a simple 'thank you' that can express my gratitude to my lecturers. Mr Wilson Aw is not only very patient but also very encouraging and Mr John Seow explains key points very clearly. I also like the services of SAA-GE staff. They are very approachable and responsible. I will continue studying ACCA with SAA-GE.

## Cai Junwei

I would like to take this opportunity to thank SAA-GE and my lecturers Ms Yeo Ai Ling and Ms Edify Quek. Their professional teaching method and patience are amongst the various factors to my achievement. They teach with strong passion using ample illustrations which are effective for me in grasping the concept. Which provides a solid foundation for my higher papers. Thank you!

## Lu Fuli

To lecturers, I would like to express my sincere gratitude for all the efforts you have taken. Since day one, I have enjoyed each and every class of yours. I really appreciate the help offered to me. Other than making lessons innovative, you have also helped me in getting good scores and developing a keen liking for the subject. I thank you again for all the wonderful work you have done and wish you all the best for your future endeavours. To staff, I have always been pleased with the service I received at SAA-GE and I feel it is important that it is recognised. Thank you for your commitment to good customer service. Keep up the good work.

## Li Li

I would like to express my gratitude to my lecturer for paper F4: Mr Tan Peng Kwee. It was Mr Tan's clear interpretation which made the concepts in paper F4 much easier to understand. This better understanding rather than pure memorising helped me score in the exam. I would also like to take this opportunity to thank Mr Goh Sher Wee and Mr Ben Lee, for their kindly help along the way! I would like to say thank you and I really enjoy their lectures!

## Yeo See Heng, Shawn

Having done all my ACCA papers with SAA-GE; it is my vote of confidence that the staff and lecturers here deliver results. My heartfelt gratitude to James Kwan, Philip Woo and AP Chee whom are more of a mentor than just a lecturer. Thanks!

## Huang Liting

I would like to take this opportunity to express my heartfelt gratitude to Ms Yeo Ai Ling and Mdm Gan Bee Eng. Their knowledge was impressive and I was grateful that they put great efforts in teaching and sacrificing their personal time to help us. The accounting foundation they built for me is priceless. Finally, I really appreciate all they have done. Please accept my sincere gratitude.

## Pang Chanfan, James

I would like to express my heartfelt gratitude to Mr Goh Sher Wee for his invaluable guidance and encouragement over the last few months. He has been a great lecturer and I will definitely miss his lectures! Mr Goh has been very professional and practical towards his approach during his lessons. Being able to relate practical situations with the scenarios in the practice questions has certainly helped me in tackling the questions and to excel in this paper. This unique style of teaching has certainly made the lesson more interesting as well as allowing the students to appreciate and comprehend the questions better whenever answering any questions. I have enjoyed his style of teaching and more importantly, my enthusiasm for taxation has increased after attending his class! I believe that his students will definitely benefit from his lessons!

## Tan Kuan Yi, Andy

F6 was my first ACCA paper and I knew that it would not be easy to perform under the severe examination pressure. Thankfully, I have a lecturer whose effective teaching and question solving methods enabled me to be ready and well-equipped to tackle all sorts of questions thrown at me. Thank you Mr Goh Sher Wee for your careful guidance and efforts to make every single lesson an enjoyable and fruitful learning experience.

## Huang Chen

I would like to thank Madam Gan from SAA-GE for guiding me and helping me to achieve good result. Her teaching methods are brilliant and efficient. Her notes and revision materials are also well-prepared. All her efforts were translated into great confidence during the exam. It was a happy learning journey with SAA-GE. I truly look forward to every lesson and hope to excel more in my studies.

## Woon Ngin Ying

I would like to thank Ms Yeo Ailing, for her patience when answering our questions. She is such a dedicated lecturer that I enrolled into 3 of her classes for CAT.

## Lee Weikang

SAA students are most fortunate to have a passionate, knowledgeable and humorous F4 lecturer in Mr Tan Peng Kwee. Even though I was tired after a long day's work, it was hard not to enjoy Mr Tan's lessons in Corporate and Business Law as he peppers his classes with plenty of humorous real-life examples and breaks down the legal concepts into understandable and easily 'digestible' mind-maps. Mr Tan's willingness to engage his students in online forums outside of classes is also commendable and much appreciated among his students. Suffice to say, my success in the F4 paper would not have been possible without Mr Tan's tutelage.

Praise must also be reserved for the SAA lecturers who have taught me in the past – Mr Ben Lee, Mr Edgar Wong, Mr Stephen Chew and Mr Ian Lim. Their dedication to teach is evident to every one of their students and I for one am a grateful beneficiary of all their efforts.

## Tan Yu Hian, Stanford

I am grateful that SAA-GE has provided me with a flexible and yet invaluable means of education. The affordable fees and facilities are a good plus point. I want to thank a few lecturers for their time and unselfish effort. Adrian Hoa, Mr Nageb, Bee Peng, and many more.

## Lo Jia Hui, Cassandra

I want to personally thank Mr Chee for the excellent revision F8 class he conducted for last December's exam. It was an eye-opening series of revision that proved to be very comprehensive in allowing me to gain an overall view of the audit subject matter. Thus I was pleasantly surprised to have passed better than I had expected!

I believe that he will continue to mature students to be top achievers with Mr Chee's guidance; It is possible to pass the F8 paper in one sitting!

I look forward to studying p7 with Mr Chee next term.

## Jin Hui

I really appreciate SAA-GE in providing me with such a good environment to study ACCA. I also appreciate the flexible teaching methods and enthusiasm of my lecturer, Mr Tan Peng Kwee.

## Dai Nian

Thank you SAA-GE for provide a good learning atmosphere to study. All the lecturers I met are experienced and kind, who provide a very systematic learning structure, and who are willing to share their experience. This improves the efficiency of my study.

## Eng May Li, Sharon

I would like to thank Mr Chee Hay Keong for once again making it possible for me to be a prizewinner for P7 and F8 (2008). His interesting examples cited ensured that there is never a dull moment for audit. I thoroughly enjoyed every lesson!
