ABOUT THE PROGRAMME

Chartered Accountant of Singapore

The successful completion of the Singapore Qualification Programme (Singapore QP) will lead to the conferment of the designation Chartered Accountant of Singapore (CA Singapore) which is globally recognised and internationally portable.

Global Recognition and International Portability

The Singapore QP is designed with key elements of robust admission criteria and mandatory structured practical experience with the intention of fostering global recognition and international portability. Mutual Recognition Agreements (MRAs) with leading global professional accountancy bodies are being explored currently.

With global recognition and international portability, career choices and prospects of CAs Singapore will extend beyond Singapore. Employers globally will recognise CAs Singapore as professionals with broad knowledge and deep expertise, increasing the number of opportunities to work in major business and financial centres such as New York, London and Hong Kong.

Asian Market Value Factor

The Singapore QP possesses the unique characteristic of an “Asian Market Value Factor”. This factor makes the Singapore QP unique when compared to other global professional programmes. The Singapore QP incorporates the professional accountancy requirements of Asia Pacific and takes into account the diverse socio-economic and regulatory profiles of the countries in the region.

The CAs Singapore are supported and regulated by the Institute of Singapore Chartered Accountants (ISCA), the national accountancy body in Singapore representing close to 25,000 CAs Singapore and accounting professionals.

Becoming a CA Singapore

Applicants who are holders of non-accounting degrees and recognised by the Singapore Accountancy Commission (SAC) can apply to study the SAA Foundation Programme for Singapore Qualification Programme (SAA FP). Upon successful completion of SAA FP, graduates will be awarded with an SAA FP Qualification certificate and be eligible to enter the Professional Programme and Practical Experience of the Singapore QP.

SAA FP graduates who wish to hold the CA Singapore qualification will be able to do so upon fulfilling relevant practical experience with an Accredited Training Organisation supervised by an Approved Mentor and the Singapore QP Professional Programme requirements, and other prevailing membership requirements.

In summary, the current route to become a CA Singapore via SAA FP is:

1. Hold a degree which is recognised by international standards;
2. Register yourself as a Singapore QP candidate* and complete the SAA Foundation Programme for Singapore QP (SAA FP);
3. Complete the Singapore QP Professional Programme;
4. Fulfil required working experience with an Accredited Training Organisation supervised by an Approved Mentor; and
5. Apply for Chartered Accountant of Singapore.
* New candidates applying for the Foundation Programme from 1 Jan 2014 onwards need to register themselves as Singapore QP candidates when they submit the Entry form. All Singapore QP candidates, including those pursuing the Foundation Programme, are required to pay an annual candidature fee of $109 (inc GST) until they successfully complete the Singapore QP.

Examination Entry and Completion Requirements
The SAA FP modules may be taken in any order. There is no restriction on the number of modules that can be taken in each academic term nor on the number of attempts per module.

The SAA FP must be completed within 5 years from the date of SAC Letter of Confirmation.

Examination Day and Time
The SAA FP written examinations are held on weekdays (Monday to Friday) and only 1 module per day.

Examination Venues for Written Module Examinations
The examination venue will be published on FP website 1 month prior to the examination week.

Absence from Examination
Students cannot withdraw from or apply for deferment of a module once they have enrolled. Fees paid for module examinations will not be refunded and are not transferable to subsequent module examinations. A student will be graded as “ABSENT” for the written modules in the result transcript if he/she does not attend the module examination.

In exceptional circumstances such as illness or compassionate leave approved by the Institute, students will be automatically enrolled for the next examination session, but the application must be supported by relevant evidence e.g. medical or death certificate. The application must be received by the Institute within 3 working days from the date of the examination. The Institute will evaluate on a case-by-case basis and any decision made is final. The student is required to take the next examination session, after which all fees paid will be forfeited. Appeals will not be accepted after the release of examination results under any circumstances.

Examination Results
An email notification will be sent to students to collect their examination results at SAA service’s counter. For the written module examinations, results will be released about 6 weeks after the exam date.
The care taken throughout the process of assessment and the exercise of academic judgment ensures the integrity of every examination result. Therefore, we do not accept appeals on results and individual students’ examination papers will not be re-examined or re-marked after the final examination results have been released.

For written module examinations, the scripts submitted will remain as the property of the Institute and will not be returned to the students. Once the student finishes the examination script and hands it in for marking, he or she will no longer have any rights to the script except where copyright is concerned. The Institute retains the right to use scripts and submitted materials for training and feedback purposes.

The Examination Board has set the mark range for each grade and actual examination marks are not released. The official examination results transcript slips will indicate the grade that has been awarded. The pass grades are:

Examination Guidelines
Students are responsible for presenting themselves at the examination room in good time before the examination is due to begin. If an examination is held outside of SAA, students are required to comply with any local instructions in addition to these Academic Regulations.

Students who fail to attend an examination for whatever reason must contact Examination Department (or the appropriate member of staff) for advice as soon as possible.

Students are normally admitted to the examination room ten minutes before the stated time of the examination but only when instructed to do so by an invigilator.

Students are permitted to enter the examination room up to 30 minutes after the official start of the examination, but not normally thereafter. If there are abnormal or extenuating circumstances leading to the late arrival of a student, the invigilator has discretion to admit the student after the first 30 minutes has expired, provided no student has already left the examination room. Additional time for any student arriving after the start of an examination is not permitted in any circumstances.

Students are admitted to the examination room only on production of their student ID card (or other means of identification deemed acceptable to SAA) which they must place in a prominent position on their desk. The invigilator uses the ID card as evidence of identity when completing the attendance register.

Students must not leave their place without prior permission of an invigilator. This will not be given in the first 30 minutes or the last 15 minutes of an examination.
Students wishing to leave the examination room temporarily must seek the prior permission of an invigilator, and are liable to be accompanied throughout their absence by the invigilator or another person designated by the invigilator when permitting that student temporarily to leave the examination room. Any student who leaves the examination room without prior permission of an invigilator is deemed to have withdrawn from the examination and cannot be re-admitted.

Students wishing to leave the examination room permanently before an examination has ended must first attract the attention of an invigilator to ensure that their scripts are collected and secured by the invigilator. They should take care not to disturb other students when leaving and must observe the Academic Regulations governing the conduct of examinations until they are outside the room. A student whose script has been collected and secured by an invigilator in this way cannot be re-admitted to the examination room.

On entering the examination room, students are subject to the authority of the invigilators and must act according to their instructions.

Once they are in the examination room students must neither have in their possession nor make use of any book, manuscript, calculator, palm-top computer, tablet, mobile phone (or other communication device) or any other aid which has not been approved prior to the start of the examination. Students whose first language is not English are normally permitted to take into the examination room a single-volume, bilingual dictionary (without annotation) except where the examination is in an applied English language or modern foreign language subject.

The approved use of calculators, specified reference books or other equipment for certain examinations is published by the relevant academic department (or SAA Examination Board) and in the rubric for the examination question paper. The department and examination rubric define precisely the type of calculator, title of book(s) and/or type of equipment permitted in each case. The use of electronic dictionaries or translators is not permitted.

Students who bring unauthorised items to their places by mistake must inform an invigilator as soon as they discover the presence of such items.

Coats, briefcases, bags, mobile phones and other devices (which must be switched off) and similar items must be deposited in the examination room as directed by an invigilator. All such items are deposited at the sole risk of the student.

Students must use only the official examination stationery provided. Students are not permitted to remove any script, rough work, official stationery (excluding the examination question paper) or equipment from the room.

Unless otherwise authorised in the examination rubric, students must use only blue or black ink in completing the examination answer book(s). A pencil may be used only for drawing of diagrams. During the examination students must not communicate in any way with any person other than an invigilator.

A student is permitted to attract an invigilator’s attention by raising his/her hand. A student must not leave his/her place without prior permission of an invigilator.

Smoking is not permitted in the examination room.

A student who, in the opinion of the invigilators, causes any disturbance, which may include eating or drinking and continues to do so after warning, is required to leave the examination room and cannot be re-admitted.
Students are given a warning when 30 minutes and 5 minutes of the examination are still remaining.

Students must not start writing, other than to complete the identification details on the answer book, until given permission to do so by the invigilator.

Students must stop writing as soon as they are instructed to do so at the end of the examination. An invigilator determines the end of the examination.

At the end of the examination students must remain seated and silent until all scripts have been collected and until dismissed from the examination room by an invigilator.
STUDENT ADMINISTRATION

Enrolment Policy
SAA-GE is governed by rules under the EduTrust Certification Scheme. As such, all students are required to sign a Standard Student Contract at the point of enrolment and before payment of course fees. The validity of the Standard Student Contract is tied to the duration of the programme the student has enrolled for. **Students who have not signed the Standard Student Contract with SAA-GE will not be permitted to attend classes with the school.**

During enrolment, SAA-GE will provide all students with pre-course counselling. Students will be advised on the appropriate course to enrol in, and rules and regulations while studying at SAA-GE. All students must fill in the relevant information in the SAA-GE Enrolment Form and any other forms required by the Singapore Government (where applicable).

Once enrolled, it is the students’ responsibility to ensure that their student membership (where applicable) with the qualification provider, e.g. ACCA, UOL, is still valid during their course of studies and shall not hold SAA-GE responsible for any lapse in membership. Please check the respective qualification provider’s website for details on membership and examinations.

Cooling-Off Period
All students will be given a seven (7) working-day Cooling-Off Period. Students may withdraw from their application within seven (7) working days of signing the Standard Student Contract. In order to terminate the agreement, the student will need to fill up the Course Request Form and Refund Application Form and submit it to SAA-GE within the Cooling-Off Period.

For more information on the Standard Student Contract, you may wish to view details at www.cpe.gov.sg

Enrolment Policy for New Students

1. **Local Students and Non-Student Pass (STP) international students**
Local students refer to both full-time and part-time Singaporean or Singapore PR (non-Student Pass holders).

In addition, the following pass holders are also classified as a local student:
   1.1. Work Permit (WP) Pass
   1.2. S-Pass
   1.3. Employment Pass (EP)
   1.4. Dependent Pass
   1.5. Long Term Social Visit Pass (LTSVP)
   1.6. Student Pass holders from other institutions who are approved to undertaken part-time courses at SAA-GE

All students must maintain a 75% attendance rate monthly. They are required to scan in and out for the classes they have enrolled for. In the event that they are absent from class, they will be required to fill up the Leave Absence Form and submit supporting documents to the School.

As a Non-STP International Student, it is the students’ responsibility to ensure that their pass is valid throughout the duration of the programme they have enrolled in. SAA-GE will not be responsible
for the renewal of the students’ respective Passes. In the event that the Pass is not renewed, the student will have to withdraw from the class(es) enrolled and refund of fees will be in accordance to the refund policy.

Long Term Social Visit Pass (LTSVP) Holders are required to seek permission from the Immigration and Checkpoints Authority (ICA) before enrolling in our courses. Please proceed to our Reception Counter for further information and assistance.

Other PEI Student’s Pass Holders are required to seek permission from their school before enrolling with SAA-GE. Please proceed to our reception counter for further information and assistance.

2. Student Pass Holders (International Students)
All international students must apply for a Student’s Pass (STP) to be allowed to study in SAA-GE. A valid STP is issued by the Immigration and Checkpoints Authority (ICA) of Singapore.

The application process for a new STP normally takes at least six (6) weeks from the point of submission. All new full-time Student Pass holders (international students) must submit their application through an SAA-GE representative or directly to the school.

During the application process, ICA may require additional documents from the student. It is solely the student’s responsibility to submit the required documents within ICA’s stipulated timeline. SAA-GE shall not be held responsible if the student fails to submit the required documents within the timeline thus leading to late commencement or rejection of STP application. In this instance, SAA-GE will not compensate nor refund the student for any lessons missed.

Students are only allowed to attend the programme reflected on the Student’s Pass. For example, if you possess a valid Student’s Pass for CAT, you will not be able to progress to ACCA until you have obtained a valid Student’s Pass for ACCA.

The Course Application Fee will be collected upon application of the course and course fees are payable during collection of the ICA’s In-Principle Approval Letter from the School. This will be done before a course starts.

**FEE PROTECTION SCHEME (FPS)**

FPS serves to protect students’ fees in the event a private education institution (PEI) is unable to continue operating due to insolvency, and/or regulatory closure. FPS also protects students if the PEI fails to pay penalties or return fees to the students arising from judgement made against it by the Singapore courts.

EduTrust-certified PEI is required to adopt FPS to provide full protection to all fees paid by their students. All fees refer to all monies paid by the students to be enrolled in a PEI, excluding the course application fee, agent commission fee (if applicable), miscellaneous fees (non-compulsory and non-standard fee paid only when necessary or where applicable, for example, the re-examination fee or charges for credit card payment etc.) and GST.

Under FPS, PEI will purchase insurance protection from an appointed insurance company from the Council for Private Education for all their students to protect their fees. SAA-GE-appointed insurance company is Lonpac Insurance Bhd as the insurer provider. Students are required to pay FPS fee for the full course fee amount.

A copy of the Master Insurance Agreement is available on our website at [www.saage.edu.sg](http://www.saage.edu.sg). The Master Insurance Agreement sets out, among other things, the events under which the insurance company shall indemnify the student for fees paid to SAA-GE.

**MEDICAL INSURANCE**

SAA-GE has in place a Medical Insurance scheme for all its students as required by CPE under the EduTrust certification scheme. This scheme shall provide for an annual coverage limit of not less than S$20,000 per student, at least B2 ward in government and restructured hospitals and 24 hours coverage in Singapore and overseas (if student is involved in school-related activities) throughout the course duration. Full-time Singapore/Singapore Permanent Resident students or non-Student Pass holders who are protected by their own medical insurance in Singapore may opt out of the scheme. Evidence of the medical insurance must be produced prior to course admission. This Medical Insurance scheme is not mandatory for part-time students.

SAA-GE appointed medical insurance provider is AXA Insurance Singapore Pte Ltd as the insurer provider. Students are required to pay Medical Insurance Fee for the entire course duration. A copy of the Medical Insurance Benefits Schedule is available on our website at [www.saage.edu.sg](http://www.saage.edu.sg)
