LECTURER'S PROFILE

Tan Suan Ann

M.FIN (RMIT), MBA (Hull)

Educational Qualification

Mr Tan holds a Master of Finance Degree from RMIT University, Australia, and a Master of Business Administration Degree from University of Hull, UK.

Professional Experience

Mr Tan is among the early pioneers in the Singapore Financial Markets and has more than 35 years of banking experience in Money and Capital Markets. Professionally, he is very experienced in Global Capital Markets' products, being closely involved in the foreign exchange, interest rates, fixed income, derivatives and credit markets. He has over the course of his career uses all these asset classes for portfolio management, trading, hedging as well as in assets and liabilities risk management. Mr Tan has a distinguished career in banking, having held senior positions ranging from Chief Dealer, Head of Treasury in banks and as the President and Director of International Money Broking firm.

Lecturing Experience

Mr Tan started part time lecturing since early 1992. He has taught Diploma, Bachelor Degree and Master Degree offered by foreign universities in their distance learning program. The subjects taught were financial markets, investment, portfolio theory and management and bank treasury risk management.

Liew Tze Pin, Terence

Bsc Accounting & Finance (UOL); MA Finance & Investment, Distinction (Exon); EMBA (SMU)

Educational Qualification

Terence graduated with an Executive MBA with Singapore Management University (SMU). He obtained a scholarship for his postgraduate studies, Master of Arts in Finance & Investment (Distinction) with the University of Exeter, England. His first degree in Accounting and Finance (Honors) was taken with the University of London. Though offered a PhD scholarship in finance with the University of Exeter, he declined to return back to Singapore to pursue an offer with the hedge fund industry in risk management and portfolio management. His research interest lies in behaviour finance and corporate governance.

Professional Qualification

He is currently a Director with a leading financial advisory firm where he focuses on High Networth Clients (HNWs) in the area of wealth accumulation, wealth protection and wealth distribution in the last few years. Previously, he spent 5 years as the Vice President with HongKong and Shanghai Banking Corporation (HSBC) where he spear-headed a top Central Premier Centre and handled an asset under management of \$200 million for HNWs. Terence won many individual awards with HSBC and under his leadership, his centre won glowing recognition in the platform. Other experiences includes working with the Customer Relationship Management System (CRMS) within HSBC Asia-Pacific, portfolio risk management and FX strategy in the hedge fund industry.

Lecturing Experience

He spent the last 8 years lecturing in the University of London and Plymouth University programme, concentrating on Investment Management, Introduction to Economics, Business Economics, Financial Research Methods, Financial Management and Policy. Many of his students have since graduated with good honours such as First Class classification and secured good jobs.
